Special List of Schools in the Districts and the Poorer Parts of the Counties

In accordance with the provisions of Regulations 1 (1) (b) and 1 (4) of Circular No. 30½

1.—(1) All Third Class certificates which have not expired are valid in any of the schools listed below without submitting the applications to the Department or to the Inspector concerned.

(2) Second Class certificates obtained at the North Bay Normal School by those accepting financial assistance are valid in any of the schools of the District Inspectoral Divisions and in the schools listed below from the other Inspectorates. The holders of such Second Class certificates cannot legally teach in any other schools until they have taught the full three year period specified in their agreement or have refunded for the unfulfilled part of that period the proportionate amount of the financial assistance received.

2. In accordance with the provisions of Circular No. 30½, all Public and Separate Schools not listed below are required, except as provided for in Section 1 (3) of said Circular, to engage teachers who hold Professional First or Second Class certificates, if such are available.

3. In Sections 2, 3, and 4, of Circular No. 30½, will be found the conditions under which Boards may engage teachers with lower qualifications, when, after due effort, they have been unable to secure the services of teachers with the qualifications prescribed for the schools concerned.
